Dear Friends,

Where did this year go? Anyone know? ☺ We want to THANK YOU for your faithfulness. It has kept us here working and reaching the Deaf community.

We want to wish everyone a wonderful Thanksgiving and trust that you will be blessed during this holiday season. We had a great time in Puerto Rico in Oct. celebrating the wedding of our youngest son Chris and his wife Idalia. They are living in Indiana. We had the opportunity to be with our family and that was a super time for all of us; so thankful for that time, since we won't be with them during the holidays.

UPDATE REPORT - DEAF OUTREACH CENTER - COFFEE HOUSE PROJECT # 14243

Construction started in March and the blocks have reached the second floor. We have made great progress over the past few months with the help of our national workers and 4 US teams. The Nicaragua church is now investing their offerings. The church had a fair where we raised @ \$2,000. PTL! It was a fun day of selling typical foods, cakes, popcorn, nachos, clothing and crafts. Also on Oct. 31st members of the church gave a special offering of a one day's salary plus sold food to reach their goal of \$5,000 to put towards the flooring between the first and second floors. Our goal is to finish the building by spring 2011.

We would like to have more teams come. It is not too late! Please consider being a part of advancing the Kingdom in Nicaragua by participating. Give us a call or email TODAY!! We already have 2 scheduled for February. If you can't come, perhaps you can give towards furnishings/equipment for the coffee house. Thanks so much!

SCHOOL PROMOTION

November 30th at our school promotion we will have preschoolers and 6th graders in cap and gown and congratulate them on their hard work; will have pictures in the next newsletter. This is the end of the school year. Classes will resume around Feb. 1st, 2011.

MISSIONS SCHOOL

Eva has been teaching classes in the Nicaragua School of Missions for 2 years now. There are 12 students who will be graduating in January during the National Pastors Conference. These are all hearing students. It has been exciting having the opportunity to share and influence new missionaries.
